If you have a physical or learning disability, please advise me in writing of any special consideration necessary by the beginning of the second class. I will do everything possible to accommodate you in accordance with the Americans with Disabilities Act.

This class covers the major laws and policies governing the management of federal public lands. The goals of the course are to gain an understanding of the agencies that manage the different land units and the laws which animate their management strategies. Additionally, we will cover important issues that affect public lands in the Western United States and Alaska.

## **Course Requirements and Grading:**

## <u>Textbooks</u>:

There is a required reading packet, as well as a text book, that you must purchase at the campus book store. The text is *Crossing the Next Meridian: Land, Water, and the Future of the West*, by Charles F. Wilkinson (Island M0ere
