Course Description

The course serves as an overview to crisis management, business continuity and continuity of operations planning from a private and public sector partnership perspective. The topics include comprehensive emergency management, public and private roles and partnerships for emergency and crisis management, the risk management process, strategic crisis management, contingency planning, training and exercises, emergency response, business continuity and recovery, the role of the crisis management team, and crisis communication.

Course Objectives

Understand the concepts of crisis management, business continuity and continuity of operations planning and apply them to the examination of organizations through class discussions, case studies, and independent student work.

- Understand hazards and disasters and their implications for Business Crisis and Continuity Managers.
- Understand the similarities and differences between public sector continuity of operations planning and private sector crisis and business continuity management.

Course Materials

Hiles, Andrew (2011). *The Definitive Handbook of Business Continuity Management*. Third

Harvard Business Essentials on Crisis Management. (2004). Boston, MA. Harvard Business School Press. (Required)

*Additional reading assignments have been selected from selected articles and Web Sites.

Description of Instructional Methods

Instructional methodologies, including lecture, facilitated discussion, case studies, small group

10% Crisis Management Analysis Presentation (100 points): Each student will be required to

prepare a presentation of approximately 10 min as a successful example of an organization

which handled a crisis (publicly) in positive manner. This presentation, using either Power Point or Keynote Slides, should be a minimum of 10 min (90% grade derived from writing)

5. All presentations should receive evaluation by the instructor on oral communication competency (including responsiveness to audience questions), as well as on subject mastery.
6. Students must receive, as part of the course structure, information/instruction on effective speaking, on organization of material for effective presentation, and on development and use of media and visual aids.

Grading

(2) Class Study Report and (3) Research Paper 20% (20%) 30% (30%) 15% (15%) 35% (35%)

Students with Disabilities

Students with learning or other disabilities who may need classroom accommodations are encouraged to make an appointment with the Office of Disability Services (Phone # 474-7043). Please inform me of your needs and if I need to meet with the Office of Disability Services to provide the appropriate accommodations and supports to assist you in meeting the goals of the course.
