

University of Alaska Fairbanks
School of Education
Proposed Course Syllabus EDSC 443 (stacked 643)

EDSC 443
Technology Applications in Education II
2 credits
Spring 2014

Topic	Assignment	Due Date
<p>1 (15%)</p> <p>Weeks 1, 2</p> <p>Creating and Designing Digital Videos</p>	<p>Create a digital video that is no longer than 3 minutes and tells a complete story. Include a title, narration still photo, music and, of course, video. The topic may be appropriate for use in your portfolio or a “stand-alone.”</p> <p>Post the video on YouTube, paste the video URL into your portfolio and send for review. Paste the video URL onto the Google doc provided.</p> <p>NOTE: A minimum of two videos must be included in your portfolio. One is to show technology being used in a teaching/learning situation and included in Standard 4. The second can be a topic of your choice.</p>	<p>Due end of Week 2</p>
<p>2 (15%)</p> <p>Weeks 3, 4</p> <p>Creating a GOOGLE site</p>	<p>Create a Google Site with at least 3 pages and which would be appropriate for use as a classroom communication tool.</p> <p>Paste the site URL into your portfolio and send for review. Paste the URL onto the Google doc provided.</p>	<p>Due end of Week 4</p>
<p>3 (10%)</p> <p>Weeks 5-6</p> <p>Creating Screencasts</p>	<p>Create a series of three screencasts that demonstrate three related “how to” computer skills. Include narration that supports the video. Applications like Screenflow and Screen Toaster can be utilized.</p> <p>Post the videos on YouTube, paste the video URL into your portfolio and send for review. Past the video URL onto the Google doc provided.</p>	<p>Due end of Week 6</p>
