The Curriculum Review Committee and the Graduate Program

Dear Members of the Curriculum Review Committee:

I am pleased to have the opportunity to discuss the Graduate Program with you. The Graduate Program is a vital part of our university's academic mission, and your insights and feedback are invaluable.

The Graduate Program is currently reviewing the curriculum to ensure it remains relevant and rigorous. We are particularly interested in your views on the current courses and the proposed changes.

We would appreciate your input on the following issues:

1. The relevance of the current curriculum.

2. The proposed changes to the curriculum.
