NEW OCCUPATIONAL ENDORSEMENT REQUEST
(UA Regulation 10.04.02)

Request ID: 6

These programs require students to go through a formal admissions process; the timing and fees for such processes will be under the purview of the MAUs. As such, a high school diploma or its

equivalency is required, and the student is eligible for federal financial aid. Students are recognized by

Banner to be in a specific program (as opposed to non-degree seeking or undeclared) allowing tracking of enrollment, progress and graduation. Students participate in a unit-level graduation ceremony and receive a MAU standardized "Occupational Endorsement."
